## UPDATES

**Informational Meeting on the Tentative Local Agreement:** We want to thank everyone who attended the informational meeting. Over the past several days, we've received many questions regarding the 4/10s Alternative Work Schedule (AWS). We want to clarify that this is National Language and for reference, you can find this language in Volume I, Appendix W, starting on page 345.

We fully understand and support the importance of work-life balance, and we agree that a 4/10s schedule would be beneficial for all parties. Throughout negotiations, your structure consistently advocated for the implementation of a 4/10s AWS at every opportunity. However, to make this a reality, we need Ford Motor Company to support the plan. We know how important this issue is to you, and we remain committed to continuing the fight for a 4/10s AWS.

**New Building V801:** We want to thank all who attended the guided tour of the new building. We hope you gained an insight of what the future is going to look like here at OHAP and are excited for what's ahead. For those who couldn't attend—or for anyone who'd like another look—we plan to offer another tour in the future.

**REMINDER: Voting on the Tentative Local Agreement** will take place on **Wednesday, May 7, 2025**, from **4:00 AM to 12:00 AM (midnight)** at Ohio Assembly Plant in the Econoline room.

**REMINDER: The FORD Voice + Survey** is now live! It takes <10 minutes to share your feedback and help improve the employee experience here at Ford. The survey runs from **April 15-May 13<sup>th</sup>**. See the QR codes posted around the plant!
