OHAP BULLETIN

Abbe Rd Parking Lot Disruption: Rudolph Libby began installing pipes on the Fluid turnstile across from the Abbe Rd lot on **September 17, 2025**. Work will move in stages across the lot, starting with the west side around **October 1**, the center around **October 7**, and the east side around **October 13**. Each stage is expected to take 3-4 days, with about **50 parking spaces** blocked off at a time. Barricades and flaggers will mark exclusion zones- please plan ahead for limited parking during this period.

Stormwater Mitigation Project - Phase 1: Phase 1 work begins on Wednesday, **September 24, 2025**. Crews will dig a detention pond on Miller Road and connect it to the stormwater structures installed last year. Please note: a few parking spaces on Miller Road will be blocked off starting Wednesday afternoon. This project will help address flooding issues.
