## UPDATES:

**Production Disruption:** Due to significant damage to one of Ford's suppliers, there will be a notable reduction in the number of Super Duty units produced each day over the next month. The supplier is actively working to recover, but it is expected to take approximately a month to return to normal operations.

We will continue to monitor the situation closely and share updates as more information becomes available. Thank you for your understanding and continued support during this time.

**Rebalance:** 27 days to go! The tasks assigned during this period are very aggressive (83 + jobs), and we want to stress the importance of every employee **working at a normal pace and strictly following their Operator Instruction Sheet (OIS).**

- Work at a normal pace
- Work in a Safe manner
- Follow your Operator Instruction Sheet (OIS)
- If you encounter any issues or are unable to perform your job as outlined in your OIS, **please pull your Andon cord**, to notify your Team Leader.

This is an essential step in bringing attention to the issue and ensuring it's addressed promptly and appropriately. Your UAW Bargaining reps, District reps and other Appointed reps, will continue to be available to support you throughout the rebalance process.

**Bathrooms Floors:** All bathroom floors are being epoxy, starting the week of August 25 and will continue until mid-November. We will post the schedule for a couple of weeks (in advance).

### Week of Oct 6

- L-41 Men's & Women's Restroom
- H-3 Men's & Women's restroom

### Week of Oct 13

- BB-29 Men's & Women's Restroom
- Cafeteria - Men's & Women's Restroom

# OHAP BULLETIN

**Abbe Rd Parking Lot Disruption:** Rudolph Libby began installing pipes on the Fluid turnstile across from the Abbe Rd lot on September 17, 2025. Work will move in stages across the lot,

- Starting with the west side around October 1,
- The center around October 7, and
- The east side around October 13.

Each stage is expected to take **3-4 days**, with about 50 parking spaces blocked off at a time. Barricades and flaggers will mark exclusion zones- please plan ahead for limited parking during this period.
