CONSTRUCTION UPDATES:

Saturday, October 25 – Friday, October 31, 2025:

- Installation of fluid trestles piping over the road leading towards the tank farm is **targeted** to continue Saturday, October 25 and Sunday, October 26.
- From October 27 – October 31, the contractor will perform welds on the piping installed over the weekend.
- Cordoned-off exclusion zones will be established with spotters to identify potential hazards and route traffic accordingly.

To ensure everyone Safety, your cooperation is essential during the ongoing parking lot overhead construction. For everyone's safety, please:

- Obey all posted traffic signs.
- Adjust your travel route to avoid active work areas.
- Follow directions from our spotters, particularly when overhead work is in progress.
