IMPORTANT: Before claiming your weeks, you need to confirm that your yearly claim is not expired by going under **CLAIM DETAILS**, click on **VIEW CLAIM SUMMARY / PAYMENT HISTORY**. At the top of the page in the left hand corner, you will see your beginning and end dates of your yearly claim. If your claim is expired, please do not reopen or restart because you need to FILE A NEW CLAIM (top left of home page).

IMPORTANT: If you run out of unemployment money for the year, you still need to file weekly claims and turn in the denial paperwork to HR each week in order to get full SUB pay for those weeks.

WAITING WEEK INFORMATION: Members who were on layoff status and serving their waiting week will be denied unemployment. You need to go to the ODJFS web site and print your **unemployment benefit payment** documents showing **ZERO** amount paid, as well as the front page under the “Claim Details” section, “View Claim Summary/Payment History” that shows “WW Served” as the most current status and take them to Human Resources or email them to askohap@ford.com to sign up for your SUB pay. **If you aren’t able to print your paystub showing ZERO AMOUNT PAID, print another correspondence from the ODJFS with your Social Security number on it and use that instead.** Signing up for SUB this time will start your auto SUB for one year in the event of future layoffs.
