Rebalance: Is almost over. We want to stress the importance of every **employee working at a normal pace** and strictly following their Operator Instruction Sheet (OIS).

If you encounter any issues or are unable to perform your job as outlined in your OIS, **please pull your Andon cord**, to notify your Team Leader.

This is an essential step in bringing attention to the issue and ensuring it's addressed promptly and appropriately. Your UAW Bargaining reps, District reps and other Appointed reps, will continue to be available to support you throughout the rebalance process.

Bathrooms Floors: All bathroom floors are being re-done and will continue until mid-November. We will post the schedule for a couple of weeks (in advance).
