## UPDATES:

**H567 production:** The TLO for 3<sup>rd</sup> shift H567 has been extended until **January 31, 2026**, subject to change. Any employee that is currently on TLO and wants to work, please notify your committeeman.

**D2D Transfer (Department to Department):** Labor pool employees looking to transfer to another department may sign up using the Ohio Assembly Web page the first full week in December starting **December 1, 2025**.

**Shift Preference:** Several 3<sup>rd</sup> shift employees have been inquiring about transferring to a different department on 2<sup>nd</sup> shift. Shift preference is department specific and the path to a different department on a different shift would require a two-step process to complete. First, an employee must sign up for shift preference and be placed in their current department. Second, the employee must also be on the D2D list and once departments identify a need for additional employees, they will solicit the D2D list.

**Feed The Needy:** The winner for the lottery wreath was #75, Chris Emerson. Due to your generosity, volunteers will be delivering meals to approximately 80 families on Monday 11/24/2025. Thank you to everyone who participated.

**Toys for Tots:** Collections will start November 24, 2025. New unwrapped toys may be placed in boxes located throughout the plant. The tags from the tree are not required for donations.

**Thanksgiving Holiday:** Thursday, November 27, 2025, and Friday, November 28, 2025, are scheduled holidays. As a reminder, employees must work or be covered Wednesday, November 26, 2025, to be eligible for holiday pay. The company can only schedule up to 8 hours the day prior to Thanksgiving. On behalf of the Union Structure, we would like to wish you a safe and happy holiday.
