## IMPORTANT REMINDERS

These statements are for **informational purposes only**, based on payroll records using a reasonable calculation method.

Statements reflect overtime premium amounts paid during the applicable tax years and may include overtime paid pursuant to federal and state law as well as overtime paid exclusively pursuant to contract or company policy.

**Statements do not determine whether any amount is deductible for federal income tax purposes.** Eligibility for and calculation of any federal tax deduction for overtime compensation depends on the individual circumstances and applicable law.

**The company cannot provide tax advice** and employees are encouraged to consult a qualified tax advisor or review IRS guidance regarding their specific situation.
