Updates:

H-LINE: A strong majority of our members have made it clear that they want TLO to continue. **We have offered for several months that anyone who wants to return from TLO has the opportunity to do so.**

Our position is clear. We remain united, and we will continue to stand up for you and fight for what our membership wants and deserves.

Hiring Opportunity: April 17th at approximately 9:00 a.m. the hiring posting will be live on Ford's website. We are planning to hire 50 TFTs. This is a new posting – anyone who previously applied will have to reapply to this new job posting. Previous applications are no longer valid. We listened to you, and with Ford cancelling the summer shut down, members retiring, and H line night shift returning later this year, we need to hire people to be able to cover these areas.

Lottery: There will be a lottery for 22 spots that all hourly and salary employees are eligible for. The drawing will be held jointly between Company and UAW representatives and the winners announced to all. We are holding the lottery tomorrow in the **main cafeteria at 11:10 am.** We wanted to give time for people to get to the main cafeteria to see the lottery. **ALL employee names** will be in the lottery (Labor has the complete list – which we will post). Moving forward, we will post the names of everyone who won the lottery to ensure transparency.

Once the lottery winners have been identified, the referrals should be emailed to askohap.com, with the candidates name and phone number. Please remember: each selected candidate will be expected to successfully complete a background check, drug screen, and physical. If a candidate does not successfully pass, you are not eligible to submit another name – that spot goes to another candidate from the general applicant pool.
