Temporary Employees will be converted to full-time after 9 months plus the Monday of continuous service, or prior to, if the argument can be made for a full-time need.

REMAINING NOVEMBER HOLIDAYS

Wednesday, November 25, 2026 will be scheduled for no more than 8 hours.

SCHEDULED SATURDAY

The following Saturday is tentatively scheduled:

December 5, 2026

This Saturdays is being added with the expectation that Axles will be available. Axle supply will be touch and go the rest of the year. Expect fluctuation in daily work schedules as a result of limited Axle supply. The Company will build as Axles are available. This is an issue that is beyond our control locally.

Wednesday, December 23, 2026, will now be a full day of production, up to 8 hours.

TENTATIVE SCHEDULED DOWN WEEK

The week of January 3, 2027, is currently scheduled as a down week.

Always subject to change.
